Editor's Foreward

We are pleased to present to you Marshwood High School's 2010-2011 edition of *The Reed*. Over the past school year, we have spent countless hours and many late nights working hard to bring this book to you. The hundreds of photos we went through brought back so many laughs and memories from the past year. We hope that as you look through the pages the yearbook staff has put together, you are also reminded of the good times you shared with your friends, classmates, and teachers at Marshwood.

We would also like to congratulate the class of 2011. Our four years spent at Marshwood High School have been some of the longests, most stressful, anxious, exciting, happy, sad...the list goes on forever. In 10 years, when you dig this yearbook out of a long forgotten box, we hope that joys and memories of high school are brought back to you. Best of luck in all that you do!

Your Yearbook Editors,
Holly Nisbett & Connor Thomas

The 2010-2011 Edition of *The Reed* is Dedicated to:

Mr. Merrill "Skip" Cousens

Mr. Cousens is known for being more than just an outstanding teacher. Anyone who has been lucky enough to have a class with Mr. Cousens knows his gift for teaching comes not only from his incredible understanding of literature, but also from his willingness to share his life experiences with a new group of students every year. His stories are a constant reminder to students to live life to the fullest. We've learned to take any opportunity given to us, to relax during the most frustrating times. We've learned how to survive in a state of complete hunger without turning to cannibalism. We've learned how to fight off a rogue shark. We've learned how to take a family trip gone awry and turn it into the greatest story ever told. And above all, we've learned how to turn the darkest of moments into the most amusing.

As students, we thank him for continuing to pass his knowledge and stories on to another generation. Whenever Skip Cousens makes the final decision to leave Marshwood, he will be sorely missed. Thank you, Mr. Cousens, for teaching at Marshwood long enough to impart your humor and wisdom on the class of 2011.
